Edgewood College Education Fair 2018

Students at Edgewood College receive valuable advice on higher education options. This week, they got the opportunity to speak to representatives from over twenty universities.

The Edgewood College Education Fair 2018 took place on Thursday 15th November 2018. Our students and their parents received beneficial information on study destinations. Students from other schools also attended. We thank our placements team for organising the event.

Outcomes of Assessment Week 2

The outcomes of Assessment Week 2 are now on the school information system.

To see your child's scores, **please follow all the five steps below:**

4. Click on '**Student Profile**' (under your child's picture).
5. Scroll down a little. On the right, click on '**Markbook**'. You will then see all the scores.

Birthday parties

Parents are reminded that children can celebrate their birthdays in school during lunchtimes only. The celebration will be supervised by the class teachers.

You may bring food and drinks (before lunchtime) for the class. This should not exceed:

- Two pizzas of medium size
- Sixteen non-fizzy drinks
- Sixteen cupcakes or a cake of about 10 inches in diameter

We want our celebrations to be moderate and not disrupt learning. Thank you for your cooperation.

Entrance Tests

Today, we received children who wish to join the Edgewood community. Get ready to see some new faces in September.
